LAW FIRM

**SPECIALISED SUPPORT
SERVICES
TO OUR TAX
DEPARTMENT**

Dear Colleagues,

This is an update on our recent developments and changes within our Law Firm, which are aiming to provide more specialized services to the International Law Firms, Investors, Financial Institutions etc., who may wish to have prompt, special and higher level of services for their matters they may have, to invoke the Cyprus favourable Tax Regime.

In this respect, we have set up within our Tax Department, the Fast Legal Tax Unit ("FLTU") which is internally advising our Tax Department on matters of their legal expertise, and this special Team is advising, preparing and following up all the processes with the licensing Authorities, Banks, Ministries, and other Financial Institutions.

This Department is advising on the following matters.

- Drafting and reviewing all types of Agreements including Loan, Escrow and Shareholder Agreements and other arrangements;
- Advising on Law, the practice and procedure of corporate entities, restructuring, Mergers and Acquisitions, Cross-Border Mergers;
- Advising on and drafting corporate documents with respect to the registration and maintenance of legal entities including drafting M&A's ;
- Setting up International Trusts, drafting Trust Deeds and advising on the Trustees Law and International Trust Law, as well as drafting family constitutions;
- Setting up European companies, Cross-Border entities, Cross-Border mergers, re-domiciliation of SE's;
- Banking, Payment Institutions (PI) - advising on the procedure for obtaining a license with the Central Bank of Cyprus and requirements;
- Advising with respect to liquidation; Distributions in specie
